Multiforma is a new concept for tableware of Vista Alegre. Designed and developed specifically to meet the needs and aspirations of contemporary chefs and restaurateurs. The range consists of 40 different pieces and concept is highly original and visually stunning. There are four distinctive coordinating plate styles – round, oval, long drop shape and medium drop shape. These four plate styles combine and mix beautifully to offer unlimited options for creative food presentation. Multiforma is a unique and innovating new range. The design was commissioned by the company from one of the leading European designers in the field of food presentation – Mikaela Dorfel.
